

# JOIN MANNING "WE CAN" CLUB

"We Can" spread kindness & build community

## WHAT IS WE CAN?

- A Manning club just for 3rd graders
- Service and project based
- Educate students on kindness
- Create experiences to help spread kindness
- Develop ways to connect with and serve the school & Westmont community

## IS THIS CLUB FOR ME?

Do you like being creative and working with others? Do you enjoy teaching about and spreading kindness? Would you like to be more involved in service projects at our school and in the community? If yes, then "We Can" might be for you!

## WHAT IS THE COMMITMENT?

If you join "We Can", you are committing to attending a monthly meeting that will occur during lunch/recess. We will eat together quickly then move on to items we want/need to accomplish. There will also be other opportunities to participate in events (before school, etc.) but attendance for these events will not be required to be a member.

## I'M INTERESTED... NOW WHAT?

If you are interested, return the We Can Interest Form to your homeroom teacher. The first 20 forms returned will be accepted. Our first lunch/recess meeting will be held on Tuesday, Sept. 12, 2023

A schedule will be created and shared after the first meeting.

## QUESTIONS?
