

## ***Welcome to Camp Veal Where Students Value Education And Learning***

### **Instructional Math**

*Instructional Math is a cross grade level math class for students that have individualized education plans (IEPs). Instruction is based on individual student IEP goals and objectives.*

### **The Goal of Instructional Math**

*The course curriculum is designed to give each student the opportunity to achieve his/her highest potential in the areas of math fluency, number sense, daily living and problem-solving skills. Students will become better mathematicians through a variety of activities which enhance these skills. Various intervention strategies will be also utilized to assist students in these areas.*

### **Grading**

*Grading is based on assignments, projects, tests, and quizzes. Students will be assessed in the following areas:*

<i>1. Math Fluency</i>	<i>90%-100%</i>	<i>A</i>
<i>2. Math Application</i>	<i>80%-89%</i>	<i>B</i>
<i>3. Problem-Solving Skills</i>	<i>70%-79%</i>	<i>C</i>
<i>4. Assignments/Projects</i>	<i>60%-69%</i>	<i>D</i>
<i>5. Tests/Quizzes</i>	<i>Below 60%</i>	<i>F</i>
<i>6. Class Participation/Presentations</i>		

### **Expectations**

*Students are expected to:*

- Be on time*
- Come prepared for class*
- Record and complete homework and assignments within the given time frame*
- Participate in class activities/discussion*
- Stay positive, attentive and on task*
- Learn and have fun*
- Be Respectful, Be Responsible, Be Safe*

*From The Desk of April. L. Veal*  
*August 2023*

## ***Welcome to Camp Veal Where Students Value Education And Learning***

### **Resource Intervention**

***Resource Intervention is a cross grade level resource instructional class for students that have individualized education plans (IEPs). Instruction is based on individual student IEP goals and objectives.***

***Resource Intervention class will incorporate reading and academic skill strategies that promote comprehension, fluency, organizational and problem-solving skills. Resource Intervention activities will focus on teaching students how to utilize strategies that enhance reading, writing, math and test-taking skills across the curriculum.***

***Student evaluation will be goal specific based on individualized student assessments and classroom assignments. In addition, students will self-monitor, chart and/or graph their progress.***

***Students will be assessed in the following areas:***

- ***Class Preparation/Agenda***  
***Assignments should be recorded daily for each class.***
- ***Assignments/Homework Completion***
- ***Class Participation/Presentations***
