Our goal is for students to develop a positive self-identity so that they can play productive roles in our democratic society.

**BE RESPONSIBLE**

**BE RESPECTFUL**

**CELEBRATE SUCCESS**

## COMMUNITY UNIT SCHOOL DISTRICT #201 POLICIES

### **Admissions and Student Residency**

All students must register for school each year on the dates and at the place designated by the Superintendent. Students enrolling in the District for the first time must present:

1. A certified copy of his or her birth certificate. The school shall promptly make a copy of the certified copy for its records, place the copy in the student's temporary record, and return the original to the person enrolling the child. Upon the failure of a person enrolling a student to provide a copy of the student's birth certificate, the Building Principal shall immediately notify the local law enforcement agency and shall also notify the person enrolling the student in writing that, unless he or she complies within 10 days, the case shall be referred to the local law enforcement authority for investigation.
2. If compliance is not obtained within that 10-day period, the Principal shall so refer the case. The Principal shall immediately report to the local law enforcement authority any material received pursuant to this paragraph that appears inaccurate or suspicious in form or content. Proof of residence, as required by Board policy 7:60, Residence.
3. Proof of disease immunization or detection and the required physical examination, as required by State law and Board policy 7:100, Health Examinations, Immunizations, and Exclusion of Students.

*The following is the criteria for establishing residency status of a student in Community Unit School District 201 (CUSD 201 Policy 7:60):*

1. Custody by a parent or guardian with whom the student resides;
2. Custody granted by a court order to a person with whom the student resides for reasons other than to have access to the educational programs of the district;
3. Custody exercised under a statutory short-term guardianship, as long as within 60 days of the student's enrollment a court order is entered that establishes a permanent guardianship for reasons other than to have access to the educational programs of the district;
4. Custody exercised by an adult caretaker relative who is receiving aid under the Illinois Public Aid Code for the pupil who resides with the relative for purposes other than to have access to the educational programs of that district; and
5. Custody exercised by an adult who demonstrates that he/she has assumed legal responsibility for the pupil and who provides the pupil with a regular night-time abode for purposes other than to have access to the educational programs of that district. An affidavit of guardianship is required for this type of custody.

If a student is not a legal resident of the district, the district is required to charge tuition should a non-resident student be permitted to continue attending school, and any person who knowingly enrolls or attempts to enroll a student in a district where the student is a non-resident shall be guilty of a class C misdemeanor. (IL School Code 5/10-20.12b)

### **Military Service Obligation Exception**

The board of education has a policy stating if a pupil's change of residence is due to the military service obligation of the persons with legal custody of a student, he/she may, with a written request from legal custodian, maintain his/her residency as determined prior to the military obligation.

*Press Policy: 7.60 (102A)*

### **Homeless Child's Right to Education**

When a child loses permanent housing and becomes a homeless person as defined at law, or when a homeless child changes his or her temporary living arrangements, the parent or guardian of the homeless child has the option of either:

1. continuing the child's education in the school of origin for as long as the child remains homeless or, if the child becomes permanently housed, until the end of the academic year during which the housing is acquired; or
2. enrolling the child in any school that non-homeless students who live in the attendance area in which the child or youth is actually living are eligible to attend.

Any homeless child shall be immediately admitted, even if the child or child's parent/guardian is unable to produce records normally required for enrollment.

Board policy 6:140, Education of Homeless Children, and its implementing administrative procedure; govern the enrollment of homeless children.

### **Student Fees**

The Superintendent will recommend to the Board for adoption what fees, if any, will be charged for the use of textbooks, consumable materials, extracurricular activities, and other school fees. Students will pay for loss of schoolbooks or other school-owned materials.

Fees for textbooks, other instructional materials, and driver education are waived for students who meet the eligibility criteria for fee waiver contained in this policy.

In order that no student be denied educational services or academic credit due to the inability of parent(s)/guardian(s) to pay fees and charges, the Superintendent will recommend to the Board for adoption what additional fees, if any, the District will waive for students who meet the eligibility criteria for fee waiver. Students receiving a fee waiver are not exempt from charges for lost and damaged books, locks, materials, supplies, and equipment.

The school establishes fees and charges to fund certain school activities. Some students may be unable to pay these fees. Students will not be denied educational services or academic credit due to the inability of their parent or guardian to pay fees or certain charges. Students whose parent or guardian is unable to afford student fees may receive a fee waiver. A fee waiver does not exempt a student from charges for lost and damaged books, locks, materials, supplies, equipment, and/or athletic participation or club activity fees,

Applications for fee waivers may be submitted by a parent or guardian of a student who has been assessed a fee. A student is eligible for a fee waiver if the student currently lives in a household that meets the income guidelines, with the same limits based on the household size, that are used for the federal free meals program.

The building principal will give additional consideration where one or more of the following factors are present:

- An illness in the family;
- Unusual expenses such as fire, flood, storm damage, etc.;
- Seasonal employment;
- Emergency situations; or
- When one or more of the parents/guardians are involved in a work stoppage.

Within 30 days, the business office will notify the parent/guardian if the fee waiver request has been denied, along with the appropriate appeal process. If you have questions regarding the fee waiver process, you may contact the building principal at: CUSD 201 Business Office 630-468-8000.

### **Student Data Privacy; Notice to Parents About Educational Technology Vendors**

Annual Notice to parents about Educational Technology Vendors Under the Student Online Personal Protection Act

School districts throughout the State of Illinois contract with different educational technology vendors for beneficial K-12 purposes such as providing personalized learning and innovative educational technologies, and increasing efficiency in school operations.

Under the Illinois' Student Online Personal Protection Act, or SOPPA (105 ILCS 85/), educational technology vendors and other entities that operate Internet websites, online services, online applications, or mobile applications that are designed, marketed, and primarily used for K-12 school purposes are referred to in SOPPA as *operators*. SOPPA is intended to ensure that student data collected by operators is protected, and it requires those vendors, as well as school districts and the ILL. State Board of Education, to take a number of actions to protect online student data.

Depending upon the particular educational technology being used, our District may need to collect different types of student data, which is then shared with educational technology vendors through their online sites, services, and/or applications. Under SOPPA, educational technology vendors are prohibited from selling or renting a student's information or from engaging in targeted advertising using a student's information. Such vendors may only disclose student data for K-12 school purposes and other limited purposes permitted by the law.

In general terms, the types of student data that may be collected and shared include personally identifiable information (PII) about students or information that can be linked to PII about students, such as:

- Basic identifying information, including student or parent/guardian name and student or parent/guardian contact information, username/password, student ID number
- Demographic information
- Enrollment information
- Assessment data, grades, and transcripts
- Attendance and class schedule
- Academic/extracurricular activities
- Special indicators (e.g., disability information, English language learner, free/reduced meals or homeless/foster care status)
- Conduct/behavioral data
- Health information
- Food Purchases
- Transportation information
- In-application performance data
- Student-generated work
- Online communications
- Application metadata and application use statistics
- Permanent and temporary school student record information

Operators may collect and use student data only for K-12 purposes, which are purposes that aid in the administration of school activities, such as:

- **Instruction in the classroom or at home (including remote learning)**
- **Administrative activities**
- **Collaboration between students, school personnel, and/or parent/guardians**
- **Other activities that are for the use and benefit of the school district**

**No Warranties** - The District makes no warranties of any kind, whether expressed or implied, for the service it is providing. The District will not be responsible for any damages the user suffers. This includes loss of data resulting from delays, non-deliveries, missed-deliveries, or service interruptions caused by its negligence or the user's errors or omissions.

Use of any information obtained via the Internet is at the user's own risk. The District specifically denies any responsibility for the accuracy or quality of information obtained through its services.

**Indemnification** - The user agrees to indemnify the School District for any losses, costs, or damages, including reasonable attorney fees, incurred by the District relating to, or arising out of, any violation of these procedures.

**Security** - Network security is a high priority. If the user can identify a security problem on the Internet, the user must notify the system administrator or Building Principal. Do not demonstrate the problem to other users. Keep your account and password confidential. Do not use another individual's account without written permission from that individual. Attempts to log-on to the Internet as a system administrator will result in cancellation of user privileges. Any user identified as a security risk may be denied access to the network.

**Vandalism** - Vandalism will result in cancellation of privileges and other disciplinary action. Vandalism is defined as any malicious attempt to harm or destroy data of another user, the Internet, or any other network. This includes, but is not limited to, the uploading or creation of computer viruses.

**Telephone Charges** - The District assumes no responsibility for any unauthorized charges or fees, including telephone charges, long-distance charges, per-minute surcharges, and/or equipment or line costs.

**Copyright Web Publishing Rules** - Copyright law and District policy prohibit the re-publishing of text or graphics found on the web or on District websites or file servers without explicit written permission.

- a. For each re-publication (on a website or file server) of a graphic or a text file that was produced externally, there must be a notice at the bottom of the page crediting the original producer and noting how and when permission was granted. If possible, the notice should also include the web address of the original source.
- b. Students engaged in producing web pages must provide library media specialists with email or hard copy permissions before the web pages are published. Printed evidence of the status of "public domain" documents must be provided.
- c. The absence of a copyright notice may not be interpreted as permission to copy the materials. Only the copyright owner may provide the permission. The manager of the website displaying the material may not be considered a source of permission.

**Use of Email** - The District's email system, and its constituent software, hardware, and data files, are owned and controlled by the School District. The School District provides email to aid students as an education tool.

- a. The District reserves the right to access and disclose the contents of any account on its system, without prior notice or permission from the account's user. Unauthorized access by any student to an email account is strictly prohibited.
- b. Each person should use the same degree of care in drafting an email message as would be put into a written memorandum or document. Nothing should be transmitted in an email message that would be inappropriate in a letter or memorandum.
- c. Electronic messages transmitted via the School District's Internet gateway carry with them an identification of the user's Internet *domain*. This domain is a registered name and identifies the author as being with the School District. Great care should be taken, therefore, in the composition of such messages and how such messages might reflect on the name and reputation of the School District. Users will be held personally responsible for the content of any and all email messages transmitted to external recipients.
- d. Any message received from an unknown sender via the Internet should either be immediately deleted or forwarded to the system administrator. Downloading any file attached to any Internet-based message is prohibited unless the user is certain of that message's authenticity and the nature of the file so transmitted.
- e. Use of the School District's email system constitutes consent to these regulations.

## **DISCIPLINE POLICIES AND PROCEDURES**

(STUDENT DISCIPLINE POLICY 7:190)

Westmont High School is confident that the Positive Behavior Interventions and Supports Initiative (Be Respectful, Be Responsible, Celebrate Success) will continue to provide a climate for academic success.

In the unfortunate event that a student fails to behave appropriately, the following discipline policies and procedures will be followed.

## **GENERAL SCHOOL BEHAVIOR**

Students are expected to be courteous and respectful at all times. Abusive language and/or inappropriate actions will not be tolerated and will be subject to discipline as indicated in this handbook. and within a reasonable time of their request. This applies to every survey: (1) that is created by a person or entity other than a district official, staff member, or student, (2) regardless of whether the student answering the questions can be identified, and (3) regardless of the subject matter of the questions.

Parents who object to disclosure of information concerning their child to a third party may do so in writing to the building principal.

### **Surveys Requesting Personal Information**

School officials and staff members will not request, nor disclose, the identity of any student who completes any survey or evaluation (created by any person or entity, including the school or district) containing one or more of the following items:

1. Political affiliations or beliefs of the student or the student's parent/guardian.
2. Mental or psychological problems of the student or the student's family.
3. Sexual behaviors or attitudes.
4. Illegal, anti-social, self-incriminating, or demeaning behavior.
5. Critical appraisals of other individuals with whom students have close family relationships.
6. Legally recognized privileged or analogous relationships, such as those with lawyers, physicians, and ministers.
7. Religious practices, affiliations, or beliefs of the student or the student's parent/guardian.
8. Income other than that required by law to determine program eligibility.

The student's parent/guardian may inspect the survey or evaluation upon, and refuse to allow their child to participate in the survey. The school will not penalize any student whose parent/guardian exercised this option.

### **Instructional Material**

A student's parent/guardian may inspect, upon their request, any instructional material used as part of their child's educational curriculum within a reasonable time of their request.

### **Student Records**

School student records are confidential and information from them will not be released other than as provided by law.

The school and district routinely disclose "directory" type information without consent. Directory information is limited to: name, address, gender, grade level, birth date and place, parents' names and address; academic awards, degrees and honors; information in relation to school-sponsored activities, organizations, and athletics; major field of study; and period of attendance at the school. Any parent/guardian or eligible student (student 18 or older) may prohibit the release of directory information by delivering a written request to the building principal.

State and Federal law gives parents and eligible students certain rights with respect to their student records. These rights are:

1. The right to inspect and copy the student's education records within 15 school days of the day the school receives a request for access. There may be a small charge for copies, not to exceed \$.35 per page. This fee will be waived for those unable to afford such cost.
2. The right to request the amendment of the portion student's education record that the parent/guardian or eligible student believes is inaccurate, misleading, irrelevant, or improper.
3. The right to permit disclosure of personally identifiable information contained in the student's education records, except in certain circumstances. Disclosure is permitted without consent in the case of directory information and to school officials with legitimate educational or administrative

interests. Disclosure is also permitted without consent to: any person for research, statistical reporting or planning, provided that no student or parent/guardian can be identified; any person named in a court order; appropriate persons if the knowledge of such information is necessary to protect the health or safety of the student or other persons; juvenile authorities when necessary for the discharge of their official duties who request information before adjudication of the student; and in other cases permitted by law.

4. The right to complain to the U.S. Department of Education if the school or district fails to comply with the above. Federal officials can be contacted at:

Family Policy Compliance Office  
U.S. Department of Education  
400 Maryland Avenue, SW  
Washington, D.C. 20202-4605

As you are about to leave Westmont High school, it is important that you know how we handle all of the information we have accumulated about you over these years. You each have a permanent and temporary folder. Your permanent record folder (includes grades, attendance, SAT, ACT, PSAT-NMSQT Scores and health record) will be in storage for the next 60 years. If at any time, you wish to inspect these records, you must make an appointment with the registrar's office to do so. Your temporary records are stored for 5 years after graduation and include all other standardized test scores and discipline record.

### **Teacher Qualifications**

Parents/guardians may request information about the qualifications of their child's teachers and paraprofessionals, including:

- Whether the teacher has met State licensure requirements;
- Whether the teacher is teaching under a provisional license;
- Whether any instructional aides or paraprofessionals provide services to your child and, if so, what their qualifications are.

If you would like to receive any of this information, please contact the District Office.

### **Pesticide Application Notice**

The district maintains a registry of parents/guardians of students who have registered to receive written or telephone notification prior to the application of pesticides to school grounds.

Notification will be given before application of the pesticide. Prior notice is not required if there is imminent threat to health or property.

### **School Visitation Rights**

The School Visitation Rights Act permits employed parents/guardians, who are unable to meet with educators because of a work conflict, the right to time off from work under certain conditions to attend necessary school functions such as parent-teacher conferences. Letters verifying participation in this program are available from the school office upon request.

### **Sex Education Instruction**

Students will not be required to take or participate in any class or course in comprehensive sex education if his or her parent or guardian submits a written objection. The parent or guardian's decision will not be the

reason for any student discipline, including suspension or expulsion. Nothing in this Section prohibits instruction in sanitation, hygiene or traditional courses in biology.

Parents or guardians may examine the instructional materials to be used in any district sex education class or course.

### **Requests from Military or Institutions of Higher Learning**

Upon their request, military recruiters and institutions of higher learning will be given access to students' names, addresses and telephone numbers. Parents who do not want their child's name to be released (or students over the age of 18 who do not want their name released) must submit a written request to the Westmont High School Registrar.

### **Illinois Sex Offender Registry**

In accordance with PA 94-994 and 730 IL ICS 150/3, school districts are to make parents aware that the Illinois Sex Offender Registry is available online at:

<http://www.isp.state.il.us/sor/sor.cfm>

### **Bus Transportation**

The district provides bus transportation to and from school for all students living 1.5 miles or more from the school. A list of bus stops will be published at the beginning of the school year before student registration. Parents must, at the beginning of the school year, select one bus stop at which a student is to be picked up, and one stop at which a student is to be dropped off. Students are not permitted to ride a bus other than the bus to which they are assigned. Students are required to remain at school after they are dropped off in the morning. Exceptions must be approved in advance by the building principal.

While students are on the bus, they are under the supervision of the bus driver. In most cases, bus discipline problems can be handled by the bus driver. In the case of a written disciplinary referral, student bus problems will be investigated and handled by the building principal.

Parents will be informed of any and all inappropriate student behavior on a bus. Parents are encouraged to discuss bus safety and appropriate behavior with their children before the beginning of the school year and regularly during the year.

In the interest of the student's safety and in compliance with State law, students are expected to observe the following rules:

1. Choose a seat and sit in it immediately upon entering the bus. Do not stand in the entrance or in the aisle.
2. Do not move from one seat to another while on the bus.
3. Keep all parts of the body and all objects inside the bus.
4. Loud conversation, singing, boisterous conduct, unnecessary noise or profanity is not allowed.
5. Enter and exit the bus only when the bus is fully stopped.
6. All school rules apply while on the bus, at a bus stop, or waiting for the bus.
7. Use emergency door only in an emergency.
8. In the event of emergency, stay on the bus and await instructions from the bus driver.
9. Good behavior and behavior that will not distract the bus driver from operating the bus safely is required. Crowding, pushing, scuffling, and other needless commotion are grounds for disciplinary action.
10. Do not open windows.
11. Keep the bus neat and clean.
12. Athletic footwear equipped with cleats or spikes are not allowed on the bus.

13. Inappropriate behavior will be reported to school authorities and failure to observe safety rules may result in suspension from bus services.
14. Be waiting at your bus stop on time.
15. Never tamper with, damage, or deface anything in or on the bus, or any of the bus or school equipment.
16. Keep book bags, books, packages, coats, and other objects out of the aisles. Keep all body parts clear of the aisles when seated.
17. Eating is not permitted on the bus.
18. Parents will be liable for any defacing or damage students do to the bus.

Students may be suspended from riding the school bus for up to 10 consecutive school days for engaging in gross disobedience or misconduct. If a student is suspended from riding the bus for gross disobedience or misconduct on a bus, the school board may suspend the student from riding the school bus for a period in excess of 10 days for safety reasons.

The district's regular suspension procedures shall be used to suspend a student's privilege to ride a school bus.

Video and audio cameras may be active on busses to record student conduct and may be used for the purposes of investigation into misconduct or accidents on the bus.

For questions regarding school transportation issues, contact the school principal.

### **Visitors**

All visitors, including parents and siblings, are required to enter through the front door of the building and proceed immediately to the main office. Visitors must identify themselves and inform office personnel of their reason for being at school.

Visitors must sign in, identifying their name, the date and time of arrival, and the classroom or location they are visiting. Approved visitors must take a tag identifying themselves as a guest and place the tag to their outer clothing in a clearly visible location. Visitors are required to proceed immediately to their location in a quiet manner. All visitors must return to the main office and sign out before leaving the school.

Visitors are expected to abide by all school rules during their time on school property. A visitor who fails to conduct himself or herself in a manner that is appropriate will be asked to leave and may be subject to criminal penalties for trespass and/or disruptive behavior.

### **Emergency Closings**

In the event of a school closing for emergency reasons, the District Office will activate our automated calling system and report the closings to the Emergency Closing Center website [www.emergencyclosing.com](http://www.emergencyclosing.com), which reports to local television and radio stations.

### **HEALTH**

#### **Medical/Dental/Vision Examinations**

All physical examination forms are available on the CUSD 201 website, [www.cusd201.org](http://www.cusd201.org), in the About CUSD 201 section/Registration Information, as well as each school's website.

## **CPR/AED**

Parents are encouraged to go to [www.ihsa.org](http://www.ihsa.org), click on Resources, then Sports Medicine, then on the left-hand side there is a link that says CPR Training.

## **Physical Examination**

A student's health is as important as his/her progress in school. A student's health has a great influence on successful academic work.

This fact is so well recognized that the legislature of the State of Illinois passed a law requiring every public-school student to comply with State guidelines in regards to health examinations. Illinois law also requires that each student must submit a completed physical examination form including proof that immunizations for diphtheria, pertussis, tetanus, polio, measles, mumps, rubella, chicken pox, Hib (haemophilus influenza), Hepatitis B, Pneumococcal (PCV), and Meningococcal (MCV4) are all up-to-date.

In compliance with this State regulation, all students entering a pre-school program, kindergarten, sixth, and ninth grade must show proof of the required physical examination on the current State of Illinois physical examination form completed by a licensed healthcare provider within one year of entering school in August. This means that if a student is entering pre-school, kindergarten, sixth, or ninth grade, he/she must be examined by a doctor **before** registration day. If a student is excluded from school for lack of immunity to a contagious disease, there will be no special instruction or tutoring provided by the school.

Immunization regulations will be in effect for the following immunizations: two doses of MMR (measles mumps and rubella) will be required for all students; two doses of Varicella will be required for all kindergarten, sixth grade, and ninth grade students; three doses of Hepatitis B will be required for all pre-school and sixth grade students. In addition, pre-school students must show proof of immunization for Invasive Pneumococcal disease (PCV).

Immunizations may be obtained for a minimal cost at the DuPage County Health Department, Southeast Satellite Office located at 422 North Cass Avenue, Westmont (630-682-7400).

## **School Exclusions**

Failure to comply with the above requirements by **October 15** of the current school year will result in the student's exclusion from school until the required health forms are presented to the school, subject to certain exceptions. New students who register mid-term shall have **30 days** following registration to comply with the health examination and immunization regulations. If a medical reason prevents a student from receiving a required immunization by **October 15**, the student must present, by **October 15**, an immunization schedule and a statement of the medical reasons causing the delay. The schedule and statement of medical reasons must be signed by an appropriate medical professional.

## **Immunizations**

Immunization regulations will be in effect for the following immunizations: all students entering the sixth and twelfth grades will be required to show proof of recent meningococcal conjugate vaccination (MCV). All sixth graders will be required to show proof of one dose received on or after 11 years of age. All twelfth graders will need to show proof of receiving two doses unless the first dose was administered after 16 years of age. In this case, only one dose after 16 years of age is required. This vaccination will prevent your student from a severe form of bacterial meningitis as well as other illnesses caused by this bacterium.

## **Exemptions to Immunizations or Examinations**

A student whose parents/guardians object to physical examinations or to immunizations on religious grounds shall present to the school authority a signed statement of objection detailing the grounds for such objection. In the event of an outbreak of disease, a notice will be sent home with each student who has not presented proof of immunity explaining that the student is to be excluded, effective the following morning, until acceptable proof of immunity is received by the school or until the contagious period is over or has expired.

Parents or guardians who request a religious exemption to immunizations or examinations must submit a **Illinois Certificate of Religious Exemption to Required Immunizations and/or Examinations Form** (Public Act 099-0249) if their child is entering Kindergarten, Sixth, or Ninth grade. A separate form must be used for each child. Contact your school nurse for assistance. This form may not be used for exemptions from immunizations and/or examination for personal or philosophical reasons. Illinois law does not allow for such exemptions.

### **Dental Examination**

Good dental health is directly related to good physical health. Both are critical to academic success. Dental examination forms are required for all students entering Kindergarten, Second, Sixth, and Ninth grades. Exams done within the 12 months prior to the school start date in August are acceptable.

Forms should be submitted before the first day of school but no later than May 15<sup>th</sup>. Any families who are unable to obtain an examination due to hardship must submit a waiver form to the school. Contact your school nurse for assistance.

### **Vision Examination**

Proper vision is critical to academic success. A child who cannot see cannot learn. Vision examinations are required for all students entering Kindergarten and all students entering Illinois schools for the first time. Exams done within the 12 months prior to the school start date in August are acceptable. Forms should be submitted before the first day of school but no later than October 15<sup>th</sup>.

Students entering Illinois schools for the first time must submit their forms within thirty days of school entry. Any families who are unable to obtain an examination due to hardship should contact the school nurse for assistance.

### **Sports Physical**

To be eligible for participation in interscholastic athletics at Westmont Junior High School and Westmont High School, each child must have a current satisfactory physical examination on file in the Athletic Department Office. This is to be completed each school year.

For incoming sixth grade students and freshmen students, the entrance examination will suffice. All other years of participation require the IHSA (Illinois High School Association) sports physical examination. These physical examination forms may be obtained from the school office or on the CUSD 201 and school websites. Sports physicals are only valid for 13 months from the date of the medical exam.

### **Medical Exemptions for Physical Education and Extracurricular Athletic Participation**

If a physician (i.e. medical doctor, physician assistant, or nurse practitioner) provides approval through written documentation that a student is to be medically excused from physical education class, that student will also be medically excused from participating in any WHS extracurricular athletic teams. Once the physician provides written approval removing the exemption, it will be applied to both the student's physical education class as well as athletic participation.

## **Accident or Illness**

In the case of a minor accident or illness, your child will be given first aid by the nurse or a staff member. When a more serious accident or illness occurs, the following procedure will be followed:

1. Contact the parent/guardian of the student. If the parent/guardian cannot be reached, the emergency contact listed on the student's emergency form will be called. Please be certain that the school has two emergency numbers for your child that can be reached during school hours.
2. In the event a student becomes ill at school, the school nurse or secretary will call the parent/guardian to pick up their child. The parent/guardian will be expected to provide transportation home for their child.
3. If the injury requires emergency medical attention, an ambulance will be called and the student will be taken to a nearby hospital, as designated by the parent/guardian on the emergency form.
4. A student, upon returning to school, should be able to participate in the entire school program, including gym and recess unless excused by a physician's note.
5. Please keep the office informed of any changes in phone numbers, yours or the emergency numbers to be called if you cannot be reached.
6. The Board of Education purchases insurance coverage for all students in the District that will cover them during all school-sponsored events.
7. As an enrolled student at CUSD 201, your child will automatically be covered by this accident insurance at no cost to parents.

This insurance covers students injured during the regular school day and at any school-sponsored and supervised activity.

Additional insurance covering the student for the entire 24-hour period as well as dental coverage is available for parents/guardians to purchase. Information regarding this additional coverage is available at [www.k12specialmarkets.com](http://www.k12specialmarkets.com) where you can obtain information on rates and benefits.

If you incur a claim, please contact the school office and they will provide the necessary forms that you then will complete and sent to Gerber Life, along with your medical bills, as indicated on their form.

The Student Accident Insurance plan is administered by Zevitz-Redfield & Associates, Incorporated at 333 North Michigan Avenue, Suite 714, Chicago, Illinois 60601. Their phone number is 847-374-0888 or 312-346-7460.

Claim forms are also available in the school office and through the plan administrator. **If you incur a claim, please file it directly with Zevitz-Redfield.**

## **Medication**

(In accordance with Policy 7:270, Administering Medicines to Students)

### **Administering Medicines to Students**

Students should not take medication during school hours or during school related activities unless it is necessary for a student's health and well-being. When a student's licensed health care provider and parent/guardian believe that it is necessary for the student to take medication during school hours or school-related activities, the parent/guardian must request that the school dispense the medication to the child and otherwise follow the school district's procedures on dispensing medication. No School District employee shall administer to any student, or supervise a student's self-administration of, any prescription or non-prescription medication until a complete and signed "School Medication Authorization Form" is submitted by the student's parent/guardian.

No student shall possess or consume any prescription or non-prescription medication on school grounds or at a school-related function other than as provided for in this policy and its implementing procedures.

1. All prescription medications brought to the school must be in a container labeled by the pharmacy or the doctor. This will include the name of the child, the name of the doctor, the name of the medication, the dosage, and the time to be given.
2. A *School Medication Permission Form* must be obtained from the school, filled out by the parent/guardian and doctor, and returned to school before medication can be given. The student's doctor shall provide written orders detailing the name of the student, the type of disease or illness involved, the name of the medication, dosage, time interval in which the medication is to be taken, the necessity for the medication during the day, the desired benefits of the medication, the common or likely side effects, and an emergency number where the doctor can be reached. The parent's or guardian's signature is also required on this form. The order shall be renewed at least each new school year and indicate that it may be safely administered by school personnel other than the school nurse. The *School Medication Permission Form* shall be used. An individual form must be filled out for each medication.
3. Over the counter medications including Tylenol, cough medicine, cough drops, aspirin, etc. may be given at school with a *School Medication Permission Form* completed by a doctor. The parent must provide the school with a new unopened bottle in the original package for over-the-counter medication to be dispensed during school hours.

4. **Use of Inhalers for Asthma and EpiPens**

A student may possess an epinephrine auto-injector (EpiPen) and/or medication prescribed for asthma for immediate use at the student's discretion, provided the student and parent/guardian follow State law requirements for self-administration of emergency medications. In keeping with State law, specific asthma medication and EpiPen medication may be kept with the student and administered as needed. Asthma medications that are used as rescue inhalers may be brought to school as needed without a written school medication permission form; provided that the inhaler has the pharmacy label on the side of the inhaler for all school personnel to observe. The pharmacy label must include the student's name, doctor's name, and written instructions for inhaler use. A school permission form for self-carry and self-administration of EpiPen or EpiPen Jr. must be on file in the student's health records, as well as display the pharmacy label clearly for all personnel to observe. The pharmacy label must include the student's name, doctor's name, and instructions for use. All medication permissions must be renewed yearly. The School District shall incur no liability, except for willful and wanton conduct, as a result of any injury arising from a student's self-administration of medication or epinephrine auto-injector or the storage of any medication by school personnel. A student's parent/guardian must indemnify and hold harmless the School District and its employees and agents, against any claims, except a claim based on willful and

wanton conduct, arising out of a student's self-administration of an epinephrine auto-injector and/or medication, or the storage of any medication by school personnel. Nothing in this policy shall prohibit any school employee from providing emergency assistance to students, including administering medication.

All other medications must be turned into the school office/nurse. Medications are not allowed to be kept in students' desks, lockers, or personal possession, etc. The School District retains the discretion to reject requests for the administration of medication.

### **Care of Students with Diabetes**

If your child has diabetes, a Diabetes Care Plan must be submitted to the school nurse and remain on file annually in the student's health record. Parents/guardians are responsible for informing the school if the student requires additional assistance with managing this condition while at school and at other school functions and must:

1. Inform the school in a timely manner of any change that needs to be made to the Diabetes Care Plan on file with the school for their child.
2. Inform the school in a timely manner of any changes to their emergency contact numbers or contact numbers of health care providers.
3. Sign the Diabetes Care Plan.
4. Grant consent for and authorize designated School District representatives to communicate directly with the health care provider whose instructions are included in the Diabetes Care Plan. For further information, please contact the school nurse.

### **Available Emergency Medications**

The following medications are kept in the nurse's office for emergency situations: stock EPI pens and NARCAN. For more information about these emergency medications, please contact the school nurse.

### **Contagious Diseases/Contagious Conditions**

Please notify the school office in the event that your child has contracted a contagious disease (strep throat, scarlet fever, chicken pox, measles, whooping cough [pertussis], roseola, or fifth disease). Also, please notify the school office if you suspect other contagious conditions (ringworm, lice, scabies, impetigo, or pink eye). The child should be seen by a physician for diagnosis and treatment before returning to school. Your physician may write a note that informs the school of the following information: child's name and diagnosis, treatment, restrictions related to school, and release to attend school.

### **COUNSELING SERVICES**

The Counseling Department provides students with information about how to maximize their academic and extracurricular opportunities at Westmont High School. School Counselors will help students make successful high school, college, and career transitions. Students are encouraged to share their needs and experiences with their school counselor.

### **CREATING A FOUR-YEAR PLAN**

In creating a four-year plan, priority must be placed on ensuring that Westmont High School graduation requirements are met. Specific requirements are listed in this handbook, in the course selection book, and on the Westmont High School website. Satisfying college entrance requirements must be a second priority.

It is always recommended that the student visit individual college and university websites to review specific entrance requirements.

Parents and teachers can be very helpful in developing a four-year program consistent with a student's abilities and expectations. School counselors will help oversee this process. A copy of the four-year planning worksheet is available on the Counseling Department website.

All students should link their course selections to possible career pathways. Maia Learning is a helpful resource available to WHS students through the Counseling Department.

Planning high school courses as early as possible is strongly encouraged. Doing so will ensure that a student is taking courses in the proper sequence.

This is particularly important if a student wishes to enroll in Technology Center of DuPage courses or other sequenced courses as a junior or senior.

### **CREDIT MONITORING SYSTEM**

The most effective system of monitoring students as they make progress toward graduation is one that involves teachers, parents, and students. Each has a role with important responsibilities. Outlined below is the system which defines the school's responsibilities.

#### **8th grade:**

1. A four-year plan is discussed with all 8th graders as they choose courses for freshman year.

#### **9th grade:**

1. School counselors review curricular choices throughout students' freshman year.
2. School counselors review first semester grades and revisit the four-year plan during course selection appointments. Consideration of post-high school plans are made, and course selections are adjusted accordingly.

#### **10th grade:**

1. School counselors review curricular choices and grades throughout students' sophomore year.
2. School counselors review the four-year plan and consider post-high school choices as well as choices for junior and senior year during individual course selection appointments.

#### **11th grade:**

1. School counselors review curricular choices and grades throughout students' junior year.
2. School counselors complete a credit check with each junior and make adjustments in the course requests for senior year to accommodate needed graduation requirements. The four-year plan is also reviewed, especially as it relates to specific college entrance requirements.

#### **12th grade:**

1. School counselors review the students' credit checks during individual senior counselor appointments.
2. School counselors contact the parents of all students in jeopardy of not graduating on time.
3. School counselors review senior failures after first semester grades are reported and make adjustments to student schedules as needed for graduation.

### **COLLEGE PLANNING**

Preparation for college begins when a student is in 8th grade during the high school course selection process. Students should enroll in the most rigorous academic program appropriate for them. College admission requirements state only the minimum academic preparation desired by the college or university. It is advisable to present credentials beyond these minimums to increase chances of admission. Admission requirements can change frequently. Students should communicate with their Westmont High School counselor AND colleges of their choice early in their high school careers.

Four years of English, Mathematics, and Science, three years of Social Science and two to four years of World Language would present a favorable transcript. In addition, many colleges and scholarship agencies also consider students' involvement in extracurricular activities and community organizations when selecting members of their freshman class or award recipients.

### **COURSE SELECTION PROCEDURES**

Each January, students enter their initial course requests online through Skyward. Parents also have access to view and update student courses. As a follow up, individual appointments are scheduled with school counselors to review and approve students' course selections. These meetings are critical to ensure that students are on track to meet WHS graduation requirements.

During the month of March, copies of student course requests are mailed home for final review. Students and parents are asked to sign the Course Selection Review Form and note their approval or suggest any changes.

Classes are scheduled on the basis of these requests, so it is imperative that appropriate decisions regarding course selection are made. Questions about the course selection process should be directed to the students' school counselor.

### **SCHEDULING & SCHEDULE CHANGES**

Westmont High School administration and school counselors reserve the right to adjust any student schedule to better meet the needs of the overall school schedule due to the complexities of arranging teachers' schedules, balancing class sizes, etc. The Main Schedule of classes is based on completed course requests from students and is considered by the administration to be final.

School counselors are available one week prior to the beginning of the school year to address schedule concerns. Changes in course requests or class assignments will NOT be accepted for any of the following reasons:

- to accommodate a job schedule
- missed summer assignments
- to change teachers
- to have a first or last period free
- to change classes to be with friends
- to change a lunch period

Only in cases of significant change in future plans will student schedules be changed. A consultation with the principal will be required to make such a change.

### **DROPPING COURSES**

After initial course selections have been completed, students may request to drop a course only if they are enrolled in the maximum (7) number of courses per semester. Requests to drop a course are submitted to the student's assigned school counselor.

Students who drop a course after 7 days for the first semester and 5 days (applied to semester courses only) for second semester will show a "W" (during the first or third quarter) or "WF" (during the second or fourth quarter) on their permanent record and be assigned a study hall.

Students enrolled in year-long courses will not be allowed to drop at the end of the first semester without administrative approval.

### **ADDING COURSES**

Students will be allowed to add courses ONLY from the list of open classes available at the beginning of the year in the counselors office.

Only classes available during the scheduled study hall times will be considered. No schedule rearrangements will be considered unless the class involved is required for graduation and the student is a senior.

### **REPEATING /AUDITING COURSES**

A course may be repeated for credit in two instances: 1) when the student has failed the course and needs to take it again, and 2) when the course is designated as a repeatable elective class.

Both the grade received and the credit earned for repeating the course (as well as the original grade and credit received in the course) will be used in computing the student's grade point average. The student's transcript will indicate the first grade and credit earned as well as the second grade and credit earned.

Students who wish to repeat a nonrepeatable class may do so without earning additional credit and an improved grade. The final grade will be listed on their transcripts as an audit (AU).

### **EARLY GRADUATION**

Students who wish to be considered for early graduation must apply in writing during the course selection period of the year preceding graduation. All written requests must be submitted to the Counseling Department prior to February 15th. Providing they plan to finish seven semesters of high school and meet all graduation requirements, students will be eligible for early graduation approval.

A student conference will be held with the principal to discuss the student's request. At that time, the student must present, in writing, a detailed program for his/her educational and/or occupational future plans along with a record of all previous course work and requirements that yet need to be taken.

Early graduation is subject to the final approval of the principal.

Graduation ceremonies are held at the end of the second semester for all graduates even if they meet requirements early. Students who have been approved for early graduation and who have completed all credit requirements may not participate in any extracurricular activities, but may participate in graduation ceremonies after completing their last semester.

### **ALTERNATE CREDIT (Summer School/Evening Classes)**

Students who wish to take high school summer or evening classes may enroll in Alternate Education Programs. Some reasons for pursuing additional classes may be:

1. The classes make up failed classes.
2. The classes permit a student to take additional classes at Westmont High School.

Students planning to go to TCD, for example, may want to take summer school classes in order to satisfy graduation requirements prior to attending TCD.

Students who are in band or choir may want to take alternate classes in order to fit all of their graduation requirements as well as their desired electives into their four-year plan. Additionally, students who want to accelerate a sequence of courses, math for example, may take summer school classes if their requests are supported by good grades and teacher recommendations.

To receive alternate credit, students must first obtain an Approval for Posting of Alternate Credit Form from the Westmont High School Counseling Department website (under Documents and Forms) and receive approval from their school counselor and the principal PRIOR to beginning the course. Approval depends on similarity of course content and difficulty.

Approval guarantees that the grade will be posted regardless of the outcome. Students who receive a failing grade for the lack of attendance or effort will have the grade posted on their high school transcript. GPA will be affected. Students who do not obtain prior approval for alternate courses will not have the course name or grade posted on their transcript.

Additional requests can be directed to the WHS Counseling Department and administration.

### **TRANSCRIPT REQUESTS**

Current WHS students may request their official transcripts be sent to college/university institutions using the Maia learning system. Any questions regarding this online process may be directed to WHS counselors or registrar. There is no fee for official transcripts requested using this system.

All requests for transcripts from former WHS students must be in writing. E-mails are NOT acceptable. Please use the WHS Request for Student Records Form, which is available on the WHS Counseling Department website. Unofficial transcripts can be given to individuals; official transcripts must be mailed directly to another institution.

There are three ways this can be done:

- Come to the Westmont High School registrar's office between 8:30 am and 3:30 pm to fill out a form. When requesting an official transcript, please make sure to have the name and address of the institution requesting your transcript.
- Fax your written request to 630-654-2758. Print your name (the way it was when you were a student here); year of graduation or dates of attendance; date of birth; your daytime phone number; the address of where you want the transcript sent; and your signature.
- Mail a written request to:

Registrar  
 Westmont High School  
 909 Oakwood Drive  
 Westmont, IL 60559

***Include all the information listed above.***

Please keep in mind that there is a \$5 fee to process each official transcript. Requests are usually processed within three business days.

### **ADDITIONAL GRADUATION REQUIREMENTS**

All students are required to comply with State of Illinois testing laws in order to graduate. High school students must take the SAT college-entrance exam on the assigned school testing date. The SAT assesses English, reading, writing, and math.

Beginning with the 2020-2021 school year, in addition to any other requirements under the Illinois School Code, as a prerequisite to receiving a high school diploma from a public high school, the parent or guardian of each student or, if a student is at least 18 years of age or legally emancipated, the student must comply with either of the following:

1. File a Free Application for Federal Student Aid with the United States Department of Education or, if applicable, an application for State financial aid.
2. On a form created by the State Board of Education, file a waiver with the student's school district indicating that the parent or guardian or, if applicable, the students understands what the Free Application for Federal Student Aid and application for State financial aid are and has chosen not to file an application under paragraph (1)

### **THE SEMESTER SYSTEM**

The Westmont High School year is divided into two semesters. Courses are organized around an 18-week marking period. Students will receive a grade in progress at the end of 9 weeks of work and a final grade (with credit assigned) after 18 weeks. Generally, final examination will count for approximately 20% of a student's final grade in a course.

### **SEMESTER SYLLABI**

A syllabus for each course will be provided to each student at the beginning of each semester. This syllabus will clearly explain course objectives, appropriate texts and supplies, assessment/grading policies and attendance/behavior expectations.

### **GRADES/GRADE SCALE**

Any one of five grades is given by assigned teachers at the completion of each course. No plus or minus grades are assigned.

Transfer grades from other high schools that might have received plus or minus grades will not be listed as such on the WHS transcript. Only letter grades will be posted. Students' grade point average will then be calculated according to the WHS calculation method (see below).

Grades for each course will be calculated using the following percentage scale.

**A =90-100** Student work is above expectancy, more than usual effort is made, quality of work is consistently excellent, student demonstrates a strong desire and performance to do superior work.

**B=80-89** Quality of work is very good, student successfully completes all of the acceptable standards.

**C =70-79** Student work is average; the quality of work warrants the earning of credit hours in the course.

**D =60-69** Generally below standards, though the student has made an effort to complete assignments and participate in class. Minimum level at which teachers can approve credit.

**F=0-59** No Credit. The student has not satisfied minimum course standards.

### **INCOMPLETE GRADES**

An Incomplete represents work not completed by the end of the quarter or semester. Incompletes are given only in extraordinary circumstances as approved by the Counseling Department and a WHS administrator. This work must be made up within the first two weeks of the following quarter and the Incomplete changed to a grade. If the work is not made up by the end of the 2-week period, the grade will be changed to an "F." An Incomplete will prevent eligibility for Honor Roll. In extreme medical situations, other accommodations may be provided as approved by the Counseling Department and a WHS administrator.

### **GRADE POINT AVERAGE**

Students' grade point average (GPAs) will be calculated at the conclusion of each semester on a 4.0 scale. Students will be assigned both an unweighted and weighted grade point average.

The following points will be assigned to students' weighted grade point averages for each letter grade they receive:

Letter Grade	Regular Class	AP/Honors Class
A	4 Points	5 Points
B	3 Points	4 Points
C	2 Points	3 Points
D	1 Point	1 Point
F	0 Points	0 Points
W	Not Applicable	Not Applicable
WF	0 Points	0 Points
AU	Not Applicable	Not Applicable

- W – withdraw; WF - withdraw fail; AU - audit

### **Grade Point Averages and Graduation Honors (effective starting with the Class of 2021)**

Individual class rank is not printed on student transcripts, publicly announced, or posted in any manner.

Both the cumulative weighted and unweighted grade point average appear on students' transcripts.

Two graduation ceremony speakers are selected by a staff committee from a pool of student applicants who have earned cumulative weighted grade point of a 3.5 or above after their seventh semester.

At graduation, students are recognized for having a cumulative weighted grade point average of 4.0 or higher (magna cum laude) and cumulative weighted grade point average of 3.500-3.999 (cum laude) after their seventh semester in high school.

### **PARTICIPATION IN COMMENCEMENT CEREMONY**

Students participating in the spring commencement ceremony must fulfill all Westmont High School graduation requirements as indicated in CUSD 201 school Board Policy 6:300. No exceptions will be made to this policy. Students with specific IEP stipulations may participate in the commencement ceremony and receive a Certificate of Attendance. Please refer to "Education of Children with Disabilities."

### **ADVANCED PLACEMENT COURSES**

Advanced Placement offerings are college-level courses approved by the College Board. These selections are the most academically rigorous experiences available to WHS students. These classes require a high degree of self-discipline and the ability to meet demanding expectations within an invigorating and challenging environment.

Advanced Placement classes offer students the opportunity to start to develop a college transcript while still attending Westmont High School. Therefore, it is important that WHS students consider all of the implications of college-level coursework before requesting a class.

The following guidelines apply to students scheduled to take an Advanced Placement class.

- ❖ Advanced Placement courses must be approved by a school counselor and a member of the department related to the course being taken
- ❖ Students are responsible for maintaining the pace of the class. Enrolling in Advanced Placement offerings will often require students to complete summer assignments in preparation for the beginning of the fall semester.
- ❖ Advanced Placement courses can only be requested during the initial course selection process (Jan/Feb for current students). Students new to the district and with the proper preparation may be considered for Advanced Placement courses if enrolling after the Jan/Feb course selection time period.
- ❖ Students are encouraged to purchase the appropriate textbooks for these classes. Students may then annotate their texts and build their personal academic libraries.

Students enrolled in Advanced Placement courses are undertaking a college-level course of study and are strongly encouraged to take the culminating examination/assessments, which are offered in May. The course expectations and classroom assessments are intended to prepare students for these tests.

### **TECHNOLOGY CENTER OF DUPAGE**

Students at WHS have the opportunity to select vocational education programs that reflect labor market trends and student interest. About 5% to 10% of the juniors and seniors will take classes at Technology Center of DuPage, the area vocational center.

Technology Center of DuPage is a technology-based career training facility. It provides a variety of sophisticated, career training programs that allow students to train at a higher level than can be provided at WHS. The College of DuPage allows Technology Center of DuPage students to apply for articulated credit in some of its programs.

### **WHY DO STUDENTS SELECT THE TECHNOLOGY CENTER OF DUPAGE?**

Most students who choose Technology Center of DuPage want advanced training that will enhance their opportunity for employment. Many Technology Center of DuPage students will continue their education in a related program at the College of DuPage.

### **WHEN DO I APPLY TO THE TECHNOLOGY CENTER OF DUPAGE?**

Students may apply to Technology Center of DuPage when they are sophomores and/or juniors. Students who are not accepted as sophomores may reapply as juniors. Students who select one-year programs should also apply their junior year.

### **HOW DO I APPLY TO THE TECHNOLOGY CENTER OF DUPAGE?**

All applicants must complete the following:

1. October or November - Attend the Technology Center of DuPage sponsored field trip.
2. January - Attend the January Open House

### **IS EVERYONE WHO APPLIES TO THE TECHNOLOGY CENTER OF DUPAGE ACCEPTED?**

All students interested in attending classes at the Technology Center of DuPage during their junior and/or senior year must submit a WHS internal TCD application during the course selection process the year before they would like to attend TCD.

The number of students that are permitted to go to Technology Center of DuPage varies each year. Approximately 25 students are usually accepted. Students must be on track to complete their Westmont High School graduation requirements and meet all other criteria listed on the Westmont High School TCD application. Final approval is determined administratively.

### **INDEPENDENT STUDY**

Students who demonstrate an interest and proficiency in a given subject area may work independently on topics selected through a cooperative effort by the teacher and the student, as long as the teacher is agreeable to such an arrangement. Credit is granted on a pass/fail grading scale for such an academic venture. Information is available from specific subject area teachers and in the Student Course Selection Handbook. To apply for an independent study course, a student must file a complete Independent Study Application with the Registrar.

### **HONORS MATH 3 AT WHS FOR CURRENT 8TH GRADERS**

Select 8th graders will have the opportunity to take Honors Math 3 at WHS. Honors Math 3 will always be taught by a WHS State of Illinois licensed 9-12 math teacher. At the conclusion of each semester of this year long class, students' final semester grade will be sent to their junior high school to be posted on their junior high report card. Students will NOT earn high school credit for this class. Any student enrolled in a

private junior high school who is eligible to take this class will have to enroll in WJHS as a partial day student in order to be enrolled in this WHS class.

### **COLLEGE OF DUPAGE**

The procedure for early admission for a high school student to take college classes at the College of DuPage is outlined on the COD website: [http://www.cod.edu/early\\_admission](http://www.cod.edu/early_admission).

With prior approval (see Alternate Credit section of this handbook), students may receive credit on their WHS transcript.

### **STANDARDIZED TESTING INFORMATION**

Information about standardized testing for high school students can be found on the Westmont High School website, specifically in the daily announcements, calendar, and/or the Counseling Department website. As Westmont High School receives information from the State of Illinois and/or testing organizations, updates will be posted online.

Students who wish to take additional, elective standardized test such as the ACT and/or the SAT on national test dates will need to register for them independently through each testing organization's website.

To register for a National ACT exam, students should visit [www.actstudent.org](http://www.actstudent.org). Please note that our Westmont High School code is 144-363. To register for a National SAT exam, students should visit [www.collegeboard.org](http://www.collegeboard.org). Please note that our Westmont High School code is 144-363.

### **Attendance**

Illinois law requires that whoever has custody or control of any child between seven and seventeen years of age (unless the child has already graduated from high school) shall assure that the child attends school in the district in which he or she resides, during the entire time school is in session. Illinois law also requires that whoever has custody or control of a child who is enrolled in the school, regardless of the child's age, shall assure that the child attends school during the entire time school is in session.

There are certain exceptions to the attendance requirement for children who: attend private school, are physically or mentally unable to attend school as certified by a licensed physician (including a pregnant student suffering medical complications), are lawfully and necessarily employed, are between the ages of 12 and 14 while in confirmation classes, have a religious reason requiring absence, or are 16 or older and employed and enrolled in a graduation incentive program.

### **School Achievement and Attendance**

Daily attendance is one of the most important factors affecting school achievement. Research indicates that student attendance is highly correlated with success in academic courses and standardized assessments. Time missed from the classroom, where students and teachers interact can never truly be made up, even by doing "late or make-up" work.

Westmont High School has developed the following attendance policies and procedures to emphasize the necessity for students to be in attendance at school where they can maximize their learning opportunities.

Ensuring regular school attendance requires a cooperative effort by all stakeholders: parents, students, teachers, non-certified staff, administrators, local officials and the community at large.

\*For more information on best practices related to attendance, visit [www.attendanceworks.org](http://www.attendanceworks.org).

### **After School Assistance Program (ASAP)**

All WHS students are required to stay on Wednesdays from 1:46 – 2:46 p.m. for academic assistance and enrichment opportunities.

Administrators and teacher discretion for early dismissal at 1:46 p.m. may be used for students on an individual basis.

### **Attendance Goals**

Westmont High School has committed to the following goals:

- 96% average daily attendance (ADA) or student attendance rate (SAR)
- Improve academic performance through frequent attendance
- Develop positive habits for success in colleges and careers

### **Attendance procedures**

Attendance is taken at the beginning of every period by every teacher. Westmont High School uses SKYWARD software to track and record attendance. Attendance reports may be generated daily the Dean and local administration. Parents may also access student attendance and academic record via SKYWARD parent. For parent access to SKYWARD visit [www.cusd201.org](http://www.cusd201.org), click on the SKYWARD Family Access ICON located on the top of page.

### **Student Absences**

There are two types of absences: excused and unexcused.

Excused absences include:

- Student illness with parent/guardian contact; 3 consecutive days will require documentation from a licensed physician; more than 5 days total of mental health absences in a school year will require documentation from a licensed physician
- Medical or dental appointment during the school day (documentation may be required)
- Judicial/Court
- Quarantined as imposed by health official (documentation required)
- Homebound (documentation required)
- Death in the immediate family
- Family emergency
- Observance of a religious holiday
- College/university visit (prior and post documentation is required)
- Circumstances which cause reasonable concern to the parent or guardian for the safety or health of student
- Other situations beyond the control of the student as approved by the Superintendent or Principal

All other absences are considered unexcused. Pre-arranged excused absences must be approved by the principal. The school may require documentation explaining the reason for the student's absence.

Unexcused absences include:

- More than 5 mental health days total in a school year (without documentation from a licensed mental health provider)
- Oversleeping
- Refusing to attend school
- Shopping
- Missing the bus
- Car problems, traffic or train delays
- Work
- Babysitting
- Completing work for a class
- Senior Ditch Day
- Extended Vacation
- Any instance of truancy

A phone call from a parent or guardian will not excuse a student in these circumstances.

### **IF YOU ARE LATE TO SCHOOL**

Students arriving late to school must secure a late-pass from the Attendance Office to enter class. Multiple unexcused tardies will result in disciplinary action. Reliable transportation (school bus) is provided by the school district. Therefore, students choosing their own form of transportation are responsible for their on-time arrival. Automobile problems experienced by student drivers are not considered an excused late.

### **EXCUSED TARDINESS**

Doctor visit with proper documentation, judicial hearing, outside preapproved therapeutic visit or bereavement.

### **UNEXCUSED TARDINESS**

Timely arrival to classes is crucial to the success of individual students and the cultivating of a positive learning environment.

Students arriving late to class are expected to join the lesson in progress. Teachers are not obligated to review activities and/or provide make-up opportunities missed due to unexcused tardiness. Unexcused absence reasons apply to tardiness.

### **EARLY DISMISSAL:**

Westmont High School does not have an open campus. Students leaving the building without prior approval from their parent/guardian and the Attendance Office will be considered truant. Medical and dental appointments should not be scheduled during school hours.

When this is impossible, **early dismissal will be arranged if the parent writes a note** stating the date and time of the early dismissal and explaining why an early dismissal is required. The note must be brought to the Attendance Office. Upon receiving the note, the Attendance Office will then issue an early dismissal pass that will excuse the student from class at the designated time. If the student returns to school the same day, a pass is required from the Attendance Office before reporting to class.

### **MAKE - UP WORK**

If a student's absence is excused, he/she will be permitted to make up any missed work, including homework and tests. The student will be permitted the same number of days as he/she was absent to turn in the make-up work. The number of days permitted to complete the make-up work will be determined by each teacher and will be at least the same number of days he/she has been absent. The student is responsible for obtaining assignments from his/her teachers. Students who are unexcused from school will not be allowed to make up missed work.

### **ATTENDANCE/ABSENCE and HOMEWORK WHEN ILL**

Regular attendance of students is necessary if they are to take full advantage of the school's educational opportunities. Even though assignments for periods of absence may be made up, in reality, some learning experiences can never be recreated.

For this reason, vacations during school time are strongly discouraged and make up work will not be provided for this unexcused absence. As a safety precaution, if the office has no information by 9:30 a.m., a phone call will be made to your home or place of work.

When your student is absent, the parent/guardian should call the school, 468-8100, between 7:30 a.m. and 8:15 a.m. Or, call the absence line phone number, 468-8190. You can access this number at any time and leave a message.

When calling in an absence, a reason must be given (for example: vacation, family business, funeral, cough, vomiting, etc.). We are required to track illness trends in all schools as part of surveillance for local public health. **When a student is hospitalized or is absent for (3) consecutive days, a physician's note will be necessary to excuse absence accordingly.**

In addition, in the case of chronic or frequent absences, a physician's note may be required for each day or days of absence reported due to illness. This physician's note must document each day the child was absent and the diagnoses for each absent day. If your student is absent from school you may make arrangements for one of his/her classmates to pick up homework for them on that day.

Homework may be requested by contacting the office and/or teachers through their school email address on Skyward. It will be ready for pickup in the school office at 3:30 p.m. on the following day. Following any absence, it is the student's responsibility to inquire about missed schoolwork or exams and to complete them.

A student will be allowed one day to make up work for every day of excused absence. Westmont High School understands there could be extenuating circumstances influencing the time assignments could be made up.

- Parents will be notified, in writing, in the event their child is absent all or part of 5% of days that school is in session. This notification will take place regardless of medical excuses. These notifications are sent at the end of each grading period.
- Parents are hereby notified that if the excessive absenteeism continues, a referral will be made to the DuPage County Regional Office of Education.

**If your child has an accident that results in a concussion, requires stitches or orthopedic casting and is unable to participate in physical education or recess, a physician's note is required.**

## **KEY TRUANCY AND ATTENDANCE TERMS**

### **BULLETIN BOARD, POSTED NOTICES, AND NON-CURRICULAR LITERATURE**

All bulletins posted in the school must be approved by school administration. See Policy 8:25. No material or literature shall be posted or distributed that would: (1) disrupt the educational process, (2) violate the rights or invade the privacy of others, (3) infringe on a trademark or copyright, or (4) be defamatory, obscene, vulgar, or indecent.

The posters and/or flyers subject to a request must be student-oriented and have the sponsoring organization's name prominently displayed.

Permission will be denied to post or distribute any material that would: disrupt the educational process; violate the rights of others, including material that is defamatory; invade the privacy of others; infringe on a copyright; or be obscene, vulgar or indecent.

Non-profit organizations serving district residents may ask to have simple flyers posted to a common bulletin board on the district website. No commercial publications shall be posted or distributed unless their purpose is to further a school activity, such as graduation, class pictures, or class rings.

No information from candidates for non-student's elective office shall be posted in the school or distributed to students.

### **CARE OF BUILDING AND GROUNDS**

This is your home for a good portion of the day. Please take pride in both the building and the grounds. Make every effort to keep the school as neat and clean as possible. Vandalism is a selfish act and deprives others of what is also rightfully theirs. In addition to disciplinary action, payment must be made for all vandalism.

### **CELL PHONES/SMART DEVICES**

Cell phone/ smart device use in school is a potential distraction to the learning environment. However, cell technology can be of academic benefit to the educational process if utilized prudently. With this in mind, we expect students to utilize cell phones/smart devices in an academically appropriate manner. Cell phones/smart devices may be used for academic purposes in class rooms with teacher permission. Unauthorized cell phone/smart device use will result in confiscation. Repeated inappropriate use of cell phones on campus may result in disciplinary action. Refusal to surrender a cell phone to staff member will be considered insubordination and will result in appropriate discipline. WHS is not

responsible for cell phones if misplaced on campus. Cell phones used in a manner that might compromise a person's right to privacy (including but not limited to taking and/or sharing unauthorized pictures, videos, correspondence) will be disciplined for gross disrespect.

When used responsibly, cell phones may be used in the Commons area before school, after school and during lunch periods. Students are not to use cell phones in any other area other than the Commons unless expressly authorized by staff.

### **CLOSED CAMPUS**

Westmont High School has a closed campus. Students are to remain in school during the school

Seniors who are on track for graduation and enrolled in six academic classes may be released from a seventh period study hall if scheduling permits. If students opt for early release, they are required to leave campus immediately following the conclusion of sixth period.

Early release will be revoked in the following situations:

- ❖ if graduation status is affected due to failures or a dropped class
- ❖ if a student does not maintain a six-period class schedule
- ❖ if students repeatedly linger in the building after their early release

### **CLUBS**

Clubs may be formed only with a school approved sponsor, at least seven members, a charter statement, regularly scheduled meetings (at least eight per year), and clearly defined financial expectations (dues, etc.).

### **CRITICAL INCIDENT PROCEDURES**

Westmont High School has developed a specific plan to provide a safe environment. The school will have "disaster drills" from time to time to facilitate this process. Students are asked to keep quiet and orderly at all times during these drills. Teachers will move students from classes to protected areas as is appropriate.

### **DAILY ANNOUNCEMENTS**

The daily announcements will be read over the intercom and will be posted on the website and are available via e-mail once the online subscription is completed at <https://www.cusd201.org>.

### **DRIVING PRIVILEGES AND RESPONSIBILITIES**

A student wishing to drive a car to school and/or park in the school parking lot must obtain a parking permit from the Dean's Office before driving to school. Student permit parking is allowed between 7:00 am to 3:00 p.m. Any car parked without a school parking permit or parked in the wrong space will be ticketed. Students are not allowed to park in the staff parking lot.

Other students may request special permission from the administration for demonstrated need. Students having obtained driving privileges can lose those privileges if they park improperly or drive in any manner considered unsafe, or unnecessary; including the squealing of tires, excessive speed, unnecessary engine noise or other unacceptable driving behavior as determined by the administration. Driving privileges can be revoked for a student being in or near their car during the school day.

When students arrive at school they should park their car and proceed directly into school. Students will not be allowed to go to the parking lot to retrieve forgotten items during school hours.

Cars parked without a permit will be ticketed. School authorities may conduct searches of school property to maintain order and security. This may include lockers, desks, parking lots, other school property owned and controlled by the school and personal effects left in these places, without a search warrant and without the notice and consent of the student. If any search produces evidence that a student is violating the law, the school may turn over such evidence to law enforcement authorities. (IL School Code 5/10-22.6 (e).

Students are not permitted to drive or be a passenger in a car to the Technology Center of DuPage without the written permission of the parent/guardian and a school administrator.

Students being picked up or dropped off for sports must use the South side entrance (**door #21- student entrance**). This applies to parents picking up and dropping off students for school as well.

### **DRUGS AND MEDICATION**

All prescribed and non-prescribed drugs and medication must be placed in the care of the school nurse. Students may not possess any form of drugs (drug paraphernalia), or medicine at any time, unless such substance is registered with the school nurse. All medication, including over the counter drugs such as aspirin and cough drops, cannot be dispensed by the school nurse unless it is at the written request of a physician. Illegal use, distribution, or possession of drugs, including look-alike drugs, will be referred directly to Police authorities and result in disciplinary action.

The school district endorses a policy built upon prevention, identification of the chemically involved and appropriate intervention with provision of supportive services. The District's prevention program focuses on classroom instruction, parent education, and counseling, and the school climate. The District will encourage any student believed to be involved in chemical dependency to seek treatment and rehabilitation. The District's goal is a student population free of any chemical dependency. If school officials have a reasonable suspicion that a student is in possession of illegal substances, the Westmont police department K-9 unit may be utilized as part of the investigation.

### **FIELD TRIPS/STUDENT TOURS POLICY**

Student participation on a field trip is optional. Students are to consider their current absence record, academic standing, content/assignments missed, as well as future obligations requiring absence from class, when planning to attend a field trip. The decision to participate should reflect sound judgment.

Students choosing to participate are responsible for making up assignments missed in a timely manner, as determined by the classroom teacher. Parents, sponsors, and teachers should encourage students to make prudent decisions regarding optional participation.

Students who know in advance that they will be out of class for a school field trip must make every effort to discuss with teachers how they can make up their work prior to leaving. Final permission for field trips will be determined by the administration on an individual basis. Students who do not attend the field trip are responsible for any appropriate associated assignments.

Behavior that violates Westmont High School expectations for students on a Westmont High School sponsored field trip will result in consequences in accordance with Westmont High School policies and procedures.

### **FINANCES**

All money from all clubs and activities is to be deposited and accounted for with the Business Secretary at the close of each day. Disbursements of funds can only be made by the advisor and the activity sponsor. All money collected by teachers or students must be deposited with the Business Secretary. Receipts will be issued for all the money turned in.

### **FIRE EMERGENCY PROCEDURES**

Westmont High School has designed a safe and efficient procedure for emergency exit of the building in case of fire. Students should remain quiet and calm while exiting the building in an orderly fashion and using appropriate and available exits.

### **FOOD/BEVERAGES**

Food may only be consumed in the Commons area. Covered beverages in paper cups, reusable containers or plastic bottles may be permitted in classrooms with teacher approval. Glass, ceramic or otherwise breakable containers are not permitted.

### **FREE AND REDUCED LUNCHES**

Free and reduced price lunch programs are available to qualifying families through the State of Illinois. Application forms are available in the Registrar's Office or at the district office.

### **LOCKERS**

A locker is the property of the school and must be used for the purpose intended: a storage area for books, school supplies, hats, and outdoor-wear. Students are assigned to lockers for multiple years. No locker fee is charged; however, students will be required to pay for unnecessary damage to the lockers. Students must keep their lockers clean.

### **GYM LOCKS AND LOCKERS**

Students will be required to have a combination lock for use on their gym locker. Locks will be available for purchase for those students not having a lock. All P.E. students will be provided a locker in the student P.E. locker room. Male student athletes will use the athletic students' locker room only during athletic

activities (after school). It is the student's responsibility to make certain that the lock and personal belongings are secure.

### **PHYSICAL EDUCATION POLICY OF PARTICIPATION**

Because physical education is, by its nature, a participatory course, a student's attendance and active involvement is given a good deal of consideration when grades are calculated at the end of a grading period. Therefore, regular attendance and participation is required. Absences are handled in the following manner:

#### **EXCUSED ABSENCES**

1. Documented (doctor, nurse or parent note) illnesses or injuries of short duration must be made up to avoid a failing grade if such absences exceed seven days in a nine-week course or 14 in a semester course. If a student abuses this policy, such absences may be noted as unexcused and graded accordingly.
2. Students excused from participation in physical education activities (as noted by a physician due to extended illnesses or injuries) will be provided alternate assignments in physical education (scorekeeping, report writing, etc.). A typical instance of this nature would refer to any student unable to participate for two weeks or more.

#### **UNEXCUSED ABSENCES: (NON-PARTICIPATION)**

After one (1) unexcused absence, students will lose one (1) letter grade per absence. An unexcused absence includes, but is not limited to, the following: refusing to dress or participate, being truant, forgetting gym apparel, or offering an excuse that is lacking in substance. After the second and fourth no dress, the teacher will notify the parent/guardian of failure to participate.

Bracelets, necklaces and jewelry are not to be worn during physical education activities. Personal belongings are to be locked in the student's locker during the activity period.

No running is allowed in the shower and locker room areas. No one is to enter the restrooms or locker rooms during activity periods without permission from the instructor.

#### **ACADEMIC DISHONESTY, CHEATING, AND PLAGIARISM**

Academic dishonesty, cheating, and plagiarism are serious matters that challenge each student's goal of being responsible.

These may include one or more of the following actions:

1. Copying computer internet materials or software without proper documentation or in violation of copyright law.
2. Summarizing material without acknowledging the source.
3. Representing the work of someone else as one's own work
4. Obtaining or accepting a copy of a test or answers to a test.
5. Copying another student's homework or test answers; or providing work or answers to another student.

In short, any action intended to obtain credit for work not one's own is dishonest. Students who engage in such dishonesty may be penalized by receiving a grade of "0" for the assignment. Repeated offenses could result in a grade of "F" for the course.

### **DRIVERS EDUCATION**

Most rising sophomore students take the required Driver's Education course at Westmont High School. While the classroom portion of Driver's Education is a WHS graduation requirement, the Behind the Wheel (BTW) portion is not. An additional fee (which is minimal compared to private companies) is required for students who decide to take the BTW portion of the class.

If any rising sophomores plan to take Driver's Education privately outside of WHS, they will need to receive proof of completion upon finishing the course. This document must then be submitted to the WHS Counseling Department at the beginning of the school year in August so that the WHS Driver's Education course can be removed from students' schedules and replaced with a Physical Education course.

### **RADIO/MUSIC PLAYERS AND HAND-HELD VIDEO GAMES**

Personal radios, iPod/MP3 players, CD/tape players with headsets, and hand-held video games are often a distraction to the learning environment and students are discouraged from bringing these items to school. Therefore, WHS is not responsible for those items on campus. Refusal to surrender an electronic device to staff member will be considered insubordination and will result in appropriate discipline. Personal headphones are not permitted in classrooms, hallways, study halls and locker room between 7:55 and 2:46. Students in possession of these items in areas where they are prohibited during normal school hours will have these items confiscated for the remainder of the day. Continued violation will result in disciplinary action. When used responsibly personal stereos with headsets are permitted in the Commons area during lunch periods and before and after school. These items must be properly stored before leaving the Commons. Students are not to possess headphones in any area other than the Commons.

When used responsibly and only with study hall supervisor's approval, headphones may be used in study hall. This determination will be made by the study hall supervisor on a daily basis.

### **RULES REGARDING THE USE OF THE COMMONS**

When students are in the commons, they are asked to follow these basic procedures:

1. Students are required to clear their table after eating. Trays and dishes are to be taken to the designated area and all paper ware deposited in the containers provided.
2. Students may bring their own bag lunch. Milk may be purchased at one of the serving areas.
3. Students are to refrain from excessive loud talking or other activities which may infringe upon the rights of others.
4. Throwing food or objects will not be tolerated.
5. Students who are not supervised by staff personnel must leave the building by 3:00 p.m.
6. Failure to follow Commons rules will result in disciplinary action.

### **SCHOOL PROPERTY SEARCHES**

School authorities may conduct searches of school property to maintain order and security. This may include lockers, desks, parking lots, other school property owned and controlled by the school and personal effects left in these places, without a search warrant and without the notice and consent of the student.

If any search produces evidence that a student is violating the law, the school may turn over such evidence to law enforcement authorities. (IL School Code 5/10-22.6 (e))

### **SERVICE EDUCATION**

Becoming a teacher's aide or an aide in the office can be a worthwhile experience; however, only one such experience is permitted per semester.

### **SMOKING, ALCOHOLIC BEVERAGES, AND ILLEGAL SUBSTANCES**

Student smoking, use of alcoholic beverages, or use of illegal substances is not allowed in the building, or on school grounds (including the school parking lot), or in school buses. Students should not have alcoholic beverages, smoking paraphernalia or illegal substances of any kind in their possession. Using, possessing, distributing, purchasing, or selling tobacco materials or alternative nicotine or similar substance products by students is not allowed. Students in violation of this regulation will face school consequences. Criminal offenses may result in police involvement.

### **STUDENT DRESS AND GROOMING**

Clothing which creates a disruption of classroom order will not be permitted.

The responsibility for student dress and grooming is that of the students and their parents. Basically, dress and grooming guidelines are threefold:

**HEALTH AND SAFETY** - Students should not wear clothing, jewelry, shoes, or hair-styles that can be hazardous to them in their school activities such as classes involving lab work, physical education, food preparation, and art.

Grooming and dress which prevent the student from doing his best work because of blocked vision or restricted movement such as hats or coats, are not allowed as are dress styles that create, or are likely to create, a disruption of classroom order. Proper footwear must be worn at all times. Girls and boys alike may be asked to wear a protective net or cap if the hair is too long for health and safety precautions in laboratory situations, such as: science, home economics, etc. Any dress that can be inferred to be gang-related is also not permitted.

**APPROPRIATE ATTIRE** -Appropriate attire and grooming are critical to the maintenance of a safe and educationally conducive school atmosphere. Students' dress must not be disruptive to the educational environment or compromise reasonable standards of health, safety, and decency. Individual attire and grooming are the responsibility of the student and their parent/guardian. Students are expected to maintain a neat and modest appearance during school and school-sponsored functions, including semi-formal and formal dances.

To ensure that the rights of all students are protected, the following will not be permitted:

1. Dress or appearance which is clearly disruptive and disturbing to the maintenance of a positive educational environment.
2. Dress which displays gang symbols or drug paraphernalia, other controlled substances or other references to drugs, alcohol or tobacco. This includes dress or appearance that can be inferred to as gang related.
3. Dress which displays obscenities, violence, racism or sexism, innuendoes, or other expressions either harmful to the normal development of younger and less mature students, or offensive to the reasonable sensibilities of students, faculty or other school personnel.
4. Students are not allowed to wear t-shirts with cut-off sleeves that expose their shoulders and/or their torso/ribs.

### **HATS/HEADGEAR/SUNGLASSES**

All hats, headgear, bandanas, hoodies, headbands and sunglasses are to be removed upon entering the school building. This includes school day and extra-curricular activities and events. Students with documented medical and/or religious reasons for head covering or sunglasses will be exempt from this policy. Hats, headgear, bandanas, hoodies, headbands and sunglasses must be placed in lockers throughout the school day. Students failing to comply will have these items confiscated.

**Guidelines** - The following guidelines have been established to help clarify what is expected:

Students will be required to wear clothing that covers their entire body completely and appropriately from shoulders to mid-thigh (approximately 5 inches above the knee). Specifically:

- Skirts, shorts and athletic wear of extremely short length are prohibited and must measure to mid-thigh.
- Tube tops, halter-tops, strapless garments and short cut (crop) tops and garments with one shoulder are prohibited.
- Midriffs and backs must be covered at all times.
- Students are not allowed to be shirtless.
- Gym uniforms can only be worn in designated areas of the school.
- Appropriate shoes should be worn at all times.
- Sunglasses may not be worn in the building.
- Clothing that reveals undergarments (saggy pants, pants worn below the waist) is not permitted.
- Students should not wear clothing or hairstyles that can be hazardous to them in their school activities such as lab work, physical education and art.
- Grooming and dress which prevent the student from doing his best work because of blocked vision or restricted movement such as hats or coats, are not allowed.
- Students may be asked to wear a protective net/cap for health and safety precautions in laboratory situations.

*Note: Any questions or concerns regarding these guidelines should be directed to the Dean or other building administrator. Building administrators have the final authority for judging the appropriateness of a student's appearance. Students who are in violation of the Dress Code Guidelines will be sent to the Dean's office. They will be instructed to change into more appropriate clothing, wear school provided attire that must be returned at the end of the day, or be sent home **unexcused** to change clothes. Three or more violations of wearing inappropriate attire is considered "defiance" and will result in additional disciplinary consequences being issued.*

### **VIDEO MONITORING CAMERAS**

Good conduct is an important safety factor. CUSD 201 approves the use of video cameras on school buses and common areas for the primary purpose of reducing disciplinary problems and vandalism, thereby providing for a safer environment for our students.

### **VISITORS**

All visitors to school must first report to the Attendance office, receive a visitor's pass, and then be escorted by the Dean or by someone he has selected to do so. Friends from other area schools will not be permitted to visit unless they are part of an organized student exchange program. Advanced permission of at least three days is required. In addition to written parental permission, parent contact is also required.

### **CAFETERIA SERVICE**

Lunches are served during regularly scheduled lunch periods.

Students are expected to observe acceptable social behavior such as: proper disposal of trays and other lunch materials, eat only in the cafeteria, clean up the table area, and refrain from running, shouting, or other disruptive activity. Students are required to remain in the cafeteria until the end of the lunch period unless permission is granted by the lunchroom supervisor.

Every student is issued an ID card at the beginning of the school year. The ID card has a barcode that the Meal Time System scanners read. Once students have an account, their ID card is scanned and items are entered in the register. It is important that students have their ID card daily. Students can get a replacement ID at the cost of \$8.00. Students should see the Attendance Secretary to arrange for replacement ID.

### **OPEN CAMPUS LUNCH**

Open campus lunch will be granted on a periodic basis for students in the senior class. Prior to participating in open campus lunch, seniors must receive written permission from their parent/guardian and submit the required paperwork to the Dean of Students. Seniors who are not passing a class will not be allowed to participate.

### **LOST AND FOUND**

While students are responsible for their personal belongings and school issued materials, occasionally such items are misplaced. The lost and found area is located in the Nurse's Office. Students are encouraged to keep their gym and hall lock combination confidential and to make certain their locker is securely locked. WHS is not responsible for lost or stolen items that are not locked in student hall and PE lockers as recommended.

### **WORK PERMITS**

Students between the ages of 14 and 16 must obtain a work permit before beginning their employment. Please adhere to the following procedure in obtaining a work permit:

1. Having obtained a job, secure a letter from your employer stating the nature of the work and the hours.
2. Bring the above employer's letter, your birth certificate, and your social security number to the administrative secretary.
3. Permits will be issued providing the work and the hours are not in violation of state child labor laws.
4. Permits can be obtained from the administrative secretary.

### **MEDIA CENTER**

The Library and Media Center is open to students before and after school and throughout the school day. Students may sign out of study hall and report to the Media Center with prior approval from one of their classroom teachers. **IV. CIRCULATION POLICIES, OVERDUE BOOKS, AND CHARGES:**

The loan period for library books is set at 10 weeks to accommodate independent reading projects. Students have the option to renew or return their book to the Media Center at the end of the loan period. After the 10-week loan period ends, books are considered “overdue” and start to accrue late charges. We give all students the opportunity to have their late fees forgiven. ### **SENTINEL PARENT ASSOCIATION & NETWORK (SPAN)**

**WESTMONT BAND BOOSTERS OF CUSD 201** - This adult group is a non-profit organization established for the purpose of supporting and providing additional finances for those activities of the Band which are not included in CUSD 201 appropriations. Meetings are held on an as-needed basis at the school. Adults interested in serving on these committees should contact the choral director.

### **PARENT CONFERENCES**

Parent conferences provide teachers, parents, and students with the opportunity to discuss important matters relating to the student's educational program. The face-to-face meetings which occur twice each year should help everyone involved develop meaningful relationships which focus on the student's educational needs. Over a four-year period, an atmosphere of cooperation and trust can make a significant contribution to a meaningful and worthwhile high school experience.

Regularly scheduled parent conferences ensure that the majority of parents will find the time to meet with a teacher to discuss educational progress. However, if a problem or question were to occur which needed immediate attention, a face-to-face or phone conference is recommended.

Parents who need to talk with a teacher regarding a concern should call the school and ask the secretary to check for times when the teacher is available to return a call. Parents are encouraged to use the phone as soon as an examination of circumstances and facts of a problem or question becomes clear.

A five to ten-minute phone conversation often saves parents and teachers the embarrassment of misunderstandings resulting from inaccurate or incomplete communication. Parents comfortable with email communication may also communicate concerns in this way.

### **SCHEDULING PARENT CONFERENCES**

Two days each year are set aside for parent conferences. Approximately two to three weeks prior to the conference date, a letter will be sent home asking parents to call the school and schedule conferences with the teachers of their choice. Conference times are available in the daytime or evening. If it is impossible to schedule a conference on the day set aside for conferences, a conference should be scheduled as close to that day as possible. Because many teachers are busy with other after-school activities, parents are requested to make every effort to set up a conference on the scheduled parent-teacher conference days.

### **EXTRA-CURRICULAR ACTIVITIES**

Westmont High School sport activities are conducted according to their specific seasons: Fall, winter, and spring. Athletic activities for boys include; football, cross-country, soccer, golf, basketball, wrestling, baseball, Competitive Bass Fishing, and track and field.

Girl's activities include volleyball, cross-country, golf, basketball, swimming, track and field, softball, soccer, performance football cheer / performance basketball cheer / competitive cheer and Competitive Bass Fishing.

Westmont High School extracurricular activities are generally year-round programs with specific groups that are conducted according to their specific seasons: Extracurricular activities include National Honor Society, Rotary Interact, SADD, Dance Squad, Scholastic Bowl, Sentinel Buddiez, Drama Club (Fall Play and Spring Musical), American High School Mathematics Competition, Illinois High School Theater Festival, Math Contest, Science Olympiad, NEAS, WYSE, visual art and music contests.

Besides inter-conference competition, the High Schools compete in many non-conference contests with high schools in the Northern Illinois region. At the end of each sport season, Westmont High School students participate in Illinois High School Association sponsored state tournaments to determine team and individual state championships.

Sport schedules are constructed to provide different levels of competition for all students within CUSD 201. These levels may include: varsity, junior varsity, sophomore, and freshman.

To be eligible for participation in interscholastic athletics at Westmont High School each candidate must:

1. Have a current satisfactory physical examination on file in the Athletic Department Office. This is to be completed each school year. For incoming freshmen students, the high school entrance examination will suffice.
2. Complete online registration at [westmont.8to18.com](http://westmont.8to18.com)
3. May not fail more than one of the student/athlete's enrolled courses during the period of participation, as well as the previous semester. This includes Physical Education, Drivers Education, Health, Music, Art, etc.

Students who fail only one class will be placed on probation for the next nine weeks of the semester. During that time, weekly eligibility checks will be made to ensure those students are passing all classes. If they are passing all classes, they will remain eligible. If they are not passing all classes, they will lose their eligibility for the following week. They may regain their eligibility only by passing all classes at the next eligibility check(s). At the end of the nine-week period, when quarterly report card grades are issued, any student on probation who has passed all classes for the quarter will be removed from the probationary list and will be eligible for the remainder of the semester. This student's status will be the same as any other eligible student. If a student who is on the probationary list does not pass all classes, that student will lose the eligibility to participate for the remainder of the semester. The student may regain eligibility by passing all classes at the end of the semester or by earning a cumulative GPA of 2.5 in the previous semester.

4. Meet specific requirements as determined by Community Unit School District #201, the Interstate Eight Athletic Conference, and Illinois High School Association in terms of satisfaction of activity fees, proof of residence, school attendance, age limitations, outside participation, awards and transfer.

Extracurricular participation is designed to be an integral part of the student's overall high school education. Extracurricular participation develops one's character, self-worth, leadership, responsibility, loyalty, competitive spirit, and discipline. This "extracurricular" participation is administered in terms of practices, performances and competitions.

Practices, performances and competitions will be conducted at the end of the regular school day and/or Saturday, dependent upon the coach's/sponsor's discretion. Coaches/sponsor's will conduct tryouts, supervise all meetings, organize all practices of approximately two hours in length, and supervise all scheduled competitions and performances.

Prospective team members are committed to attend all scheduled practices, performances and contests, unless cleared beforehand with the respective coach/sponsor.

Work hours must be scheduled around practices, performances and contests. Missing practices due to outside work/job obligations is discouraged.

Coaches and sponsors may dismiss students from teams or activities for irregular attendance at practices and contests, disregard for guidelines and procedures set forth by the specific sport activity, and/or a violation of the "Extracurricular Code of Conduct" applicable to all participants in the extracurricular program.

In all programs, the coach/sponsor recommends team members for end-of-the season awards. These awards are based on the student's participation, training, sportsmanship, cooperation, achievement, and/or attitude.

Participants must complete the season or activity in the terms of all scheduled practices and competitions, and return in reasonable condition, all assigned team uniforms, practices items, and equipment.

Participants who do not returned any assigned equipment will be assessed a replacement fee to make restitution for those items. This obligation must be settled before any award can be given.

Awards will be presented to athletic team members in an end-of-the-season athletic award program, conducted by the Athletic Department in conjunction with the Athletic Boosters. Team members are encouraged to attend the award program to receive their earned award, and to conclude a meaningful learning experience.

Students transferring to Westmont from another school will be allowed to participate if they were eligible according to the standards of the sending school or if they meet Westmont's standards. After one semester, they must meet Westmont's standards.

This should be read by all athletes and their parents or legal guardians.

### **CHANGING SPORTS IN MID-SEASON**

Once a student becomes a member of any team or squad, he or she may not change to another sport during that season.

Exceptions are:

1. If the student is dropped for reasons other than discipline, eligibility, or attendance.
2. If his or her coach believes he or she can contribute more in another sport. For the student's benefit, the coach initiates a change, but it must be agreed upon by both coaches and the student.

### **AWARD SYSTEM**

To receive an athletic award is an honor. The award indicates that you have shown excellent school spirit, self-discipline, dedication to your community and a positive attitude toward good sportsmanship and competition.

To qualify for an athletic award, an athlete must have completed the season in good standing and fulfilled the requirements of the coach of that sport.

Athletes qualifying for an award at a higher competition level than their school class have the option of purchasing an award for their class level or for a mixed level team. The coach will recommend the award to be given.

### **CODE OF CONDUCT for CO-CURRICULAR PARTICIPATION**

Co-curricular activities are defined as extra-curricular activities, athletic opportunities, performance-based experiences and events that are sponsored by Westmont High School as part of the Westmont High School program.

Participating in co-curricular activities and representing Westmont High School is a privilege, not a right. Students participating in performance-based activities act as representatives of the school district. Accordingly, they are expected to conduct their behavior to the highest standards at all times. Participants make a commitment to their peers and coaches/sponsors to follow rules and to be able to perform at their best at all times.

One of the primary goals of the co-curricular programs at Westmont High School is to provide students with the lessons and skills necessary for success not only on the athletic field or performance stage, but also in all areas of their lives. In addition, they have a responsibility to serve as role models for other students in the school, as well as for others in the community. Participants carry with them at all times not only their own reputations but that of their families, their team/activity, and their school.

The Code of Conduct applies to all students attending Westmont High School that participate in co-curricular, performance-based activities. These activities are defined by performance participation that occurs outside of school and to which no grade is given. Examples include but are not limited to the following: all athletic teams, dance teams, cheerleading, Jazz Band/Pep Band, Madrigal Singers, theatre participants, Mr. Sentinel, Talent Show, and activities similar to those listed. If students and parents are unsure if a specific activity is covered by this policy, questions should be directed to the administration.

### **Extracurricular and Co-Curricular Activities**

In accordance with policy 6.190, the Superintendent shall approve all District-sponsored extracurricular and co-curricular activities, using the following criteria:

1. The activity will contribute to the leadership abilities, social well-being, self-realization, good citizenship, or general growth of members.
2. Fees are reasonable and do not exceed the actual cost of operation.
3. Student body desires are considered.
4. The activity will be supervised by a school-approved sponsor.

Building Principals are responsible for the scheduling and announcing of student extracurricular and co-curricular activities.

Non-school sponsored student groups are governed by the District's policy on student use of school buildings.

Student participation in school-sponsored extracurricular athletic activities is contingent upon the following:

1. The student must meet the academic criteria set forth in the Board policy on school sponsored extracurricular activities and IHSA.
2. The parent(s)/guardian(s) must provide written permission via the 8 to 18 website registration for the student's participation, giving the District full waiver of responsibility of the risks involved.
3. The student must present a current IHSA/IESA physical examination of physical fitness issued by a licensed physician, an advanced practice nurse, or a physician assistant who assures that the student's health status allows for active athletic participation. Physicals are valid for 13 months from the examination.
4. The student must provide proof of accident insurance coverage either by a policy purchased through the District-approved insurance plan or a parent(s)/guardian(s) written statement via the 8 to 18 website that the student is covered under a family insurance plan.
5. The student and his or her parent(s)/guardian(s) shall consent, in writing, to random drug testing pursuant to the Illinois High School Association (IHSA) Performance Enhancing Drug Testing policy before participating in interscholastic athletics.

### **Academic Criteria for Participation**

For students in kindergarten through 8th grades: Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Students must satisfy all academic standards and must comply with the activity's rules and the student conduct code.

For high school students: Selection of members or participants is at the discretion of the teachers, sponsors, or coaches, provided that the selection criteria conform to the District's policies. Participation in co-curricular activities is dependent upon course selection and successful progress in those courses. In order to be eligible to participate in any school-sponsored or school-supported athletic or extracurricular activity, a student must be passing five classes per semester and passing five classes per week. Any student-participant failing to meet these academic criteria shall be suspended from the activity for seven calendar days or until the specified academic criteria are met, whichever is longer.

### **Athletic Rules & Code of Conduct**

The Athletic Code applies to all students who want to participate in athletics. Athletics includes competitive sports, extracurricular activities, cheerleading and Dance team. This code applies in addition to other rules and regulations concerning student conduct and imposes additional requirements on student athletes and cheerleaders.

Participation in athletics is a privilege. Those who participate in athletics have a responsibility to favorably represent the school and community. Student athletes are expected to conduct themselves both in and out of school in a manner appropriate to their responsibilities as representatives of the school and district. If a student fails to comply with the terms of this code, the privilege to participate in athletics may be lost in accordance with the terms of this Athletic Code.

### **IHSA or IESA**

Eligibility for most athletics is also governed by the rules of the Illinois High School Association [or] Illinois Elementary School Association and, if applicable, these rules will apply in addition to this Athletic Code. In a case of a conflict between IHSA [or] IESA and this Athletic Code, the most stringent rule will be enforced.

### **Eligibility**

To retain athletic eligibility, an athlete must have met the academic requirements of the school, conference and state-wide organization (IHSA or IESA).

### **Requirements for Participation**

An athlete must have the following fully executed documents on file at the school office before the athlete's first participation in any activity:

1. A current (within 13 months of the examination) physical examination report completed by a physician licensed in Illinois to practice medicine in all its branches which finds the athlete is physically able to participate; and
2. A permission slip, Permission via the 8 to 18 website registration, to participate in the specific sport in which the athlete intends to participate signed by the athlete's parent or guardian.
3. Proof the athlete is covered by medical insurance, Permission via the 8 to 18 website registration.
4. A receipt showing proof the athlete and his/her parents received a copy of the Athletic Code, understand the terms of the Athletic Code and agree to abide by its terms and conditions via the 8 to 18 website registration.
5. Via the 8 to 18 website registration, a signed agreement by the student not to use any drugs on the IHSA's most current banned drug classes list and an agreement to take part in random testing for these substances.
6. Via the 8 to 18 website registration, a signed agreement by the student's parent or guardian authorizing random performance-enhancing substance testing and recognizing the dangers of drug use.

### **Rules in Effect**

The rules set forth in this Athletic Code are in effect throughout the calendar year and twenty-four hours a day (**365 days a year**), whether or not school is in session and including vacation periods, and holidays. The rules apply on and off campus and whether or not the misconduct occurs at school or a school-sponsored activity or in some other locale. The rules apply from the beginning of the athlete's first tryout or practice in the first sport which the athlete attempts until the completion of the athlete's athletic eligibility in all sports.

### **Absence from School on Day of Activity**

An athlete who is absent from school after 3<sup>rd</sup> period on the day of an activity is ineligible for any activity on that day unless the absence has been approved in writing by the principal. Exceptions may be made by the coach: 1) for a medical absence pre-arranged with the coach or 2) for a death in the athlete's family. An athlete who has one or more trancies or who has been suspended from school may be suspended from participation in athletic activities by administration.

An athlete who is absent from school on a Friday before a Saturday event may be withheld from Saturday activities at the sole discretion of the coach.

### **Travel**

All athletes shall travel to athletic events and return home from athletic events with the team on which the athlete competes by use of school approved means of transportation. A written waiver of this rule may be issued by a coach or administrator upon advance written request of an athlete's parent or guardian and provided the parent or guardian appears and accepts custody of the athlete.

In no case shall a waiver be issued unless the alternate means of transportation anticipated by the waiver will be provided by the parent. Oral requests shall not be honored and oral permissions shall not be valid.

Any student athlete found to be in violation of this policy shall be subject to discipline in accordance with the school district's athletic discipline policies, rules and regulations as provided herein.

### **Participation Expenses**

All students who participate in district-sponsored sports or clubs are encouraged to explore fund-raising opportunities.

For sports participation at the junior high school and high school level: Students will incur the current board-approved student fee for participation. In consideration of this fee, the Board of Education will subsidize the cost of all coaching or sponsor remuneration, competition entrance fees, referee costs, security, transportation costs, official uniforms, team equipment and supplies.

The student will be responsible for the cost of any personal equipment, including, but not limited to: gloves, shoes, cleats, spikes, kneepads and other club gear. In addition, the Board of Education will incur all costs related to overnight travel required for competition. This will include meal expenses up to a per diem set by the Administration, per student.

For elementary sports participation and all student co-curricular clubs: Students will incur all actual expenses related to participation in the club at the local level. This may/will include the cost of all supplies, official and unofficial uniforms, equipment, field trips and competition entrance fees. The sponsor may estimate these fees at the inception of the school year and charge the student at that time. Alternatively, the sponsor may operate on a "pay-as-you-go" basis for these items.

The Board of Education will subsidize the cost of all club sponsor/coach remuneration and bussing expenses for local field trips and competitions. In addition, the Board will subsidize all costs of overnight competitions (food, lodging, entrance fees) when that competition or activity is the result of a qualifying contest.

### **Insurance**

Through an independent insurance company, the school district provides the opportunity for all participants to enroll in an accident insurance program. All participants must have accident insurance coverage in order to practice or participate on school teams or squads.

Family insurance coverage is acceptable; however, the necessary form must be completed by a legal parent/guardian and submitted to the Athletic Director.

### **Performance Enhancing Drug Testing**

The Illinois High School Association (IHSA) randomly tests the student athletes who qualify as individuals or as members of a team for selected State series competitions. The student athlete and his or her parents(s)/guardian(s) shall consent, in writing, to the random drug testing before participating in interscholastic athletics. Failure to sign the consent form renders the student athlete ineligible. The Superintendent or designee shall develop procedures to implement the District's compliance with this IHSA policy.
