Unity of purpose

We affirm the unique role of public education, whereby each community collectively pools its resources for the common good through the education of its students. Therefore, we seek to uphold and improve public education for our community.

- We want to build trust and move the district forward.
- We want to become an effective team.
- We want to understand our individual jobs and collective responsibilities.
- We want to be a team with a common, focused direction.
- We want to create a district culture that supports positive change.
- We want to perpetuate a positive district culture that survives in the face of board member and staff turnover.

Please refer to the IASB Policy Reference Manual:

- a) Board members will start with the common belief that everyone has good intentions.
- b) Board members will create a safe environment for the productive exchange of ideas.
- c) Board members will sincerely listen and seek to understand the viewpoints of others.
- d) Board members will solve problems through a collaborative process where all participants will support the will of the majority and support the superintendent toward implantation.

2. Asking questions about items on upcoming meeting agendas

If board members email the business manager with a question, they will “cc” the superintendent. If board members email the superintendent or business manager, they will “cc” the board president.
- b) Board members understand that although they are asking the question(s) prior to the meeting, they have a right to ask the question(s) at the meeting as well.
- c) One member’s request for additional information results in all members receiving or having the same access to the information. (“One gets, all get.”)

3. Media communications

4. Concerns from the community and staff (“Customer” concerns)

- a) Board members will be respectful and listen carefully, remembering they are only hearing one side of the story.

- d) Board members will take no private action that might compromise the board or administration.
- e) Board members will call the superintendent if they think this is an issue of concern. The call to the superintendent is to inform him of the issue, not a direction for him to take specific action.

5. Agenda development

- a) Board members wishing to have an item placed on a future meeting agenda will contact the superintendent and the board president five days prior to the board meeting.
- b) Board member will receive the board packet with supporting documentation via Board Docs on the Friday prior to the scheduled meeting. Areas not complete will be noted.
